Winemaker Notes: Bold, fruit-forward, and layered, the 2022 Claret opens with ripe blueberry and black cherry, underscored by a mineral streak of iron filings. Sandalwood, oak woodland, and dark chocolate build the aromatic complexity, while the finish is savory and silky. Remarkably drinkable for its depth and structure. A captivating red blend showcasing Napa Valley's finest attributes.

Estate: White Rock Vineyards produces elegant and balanced Napa Valley Chardonnay, Claret, and Cabernet Sauvignon, from fruit farmed on our family estate. Our 36-acre family-run farm is situated in a small valley in the southern foothills of the Stag's Leap Range on the historic site of White Rock Vineyards, which dates back to 1870. With a commitment to sustainable natural farming, we have never used herbicides, pesticides, or fumigants in our vineyard. We practice an integrated soil management program designed to ensure the health and fertility of our soils, including native cover crops, hand hoeing, and mulching around the vines. We also employ regenerative and organic vineyard methods to ensure the longevity and quality of our family farm and relationships.
