Winemaker Notes: A complex vintage full of diverse fruit flavors, savory herbs, spice, and old vine character. A true exemplar of our 1870's estate, expressing its unique diversity of mineral intensive soils, sun exposures, and soil to glass farming. A beautiful wine, honoring the legacy of White Rock Vineyards and its tradition of thoughtful farming, winemaking, and ageability.

Critic Review: The easiest-drinking of the three White Rock wines submitted... the 2019 Claret is mark[ed] by scents of mint, sage, and cherries on the nose, while the palate is full-bodied, supple, and generous, then turns silky on the tart, red-fruited finish. 91 pts

Estate White Rock Vineyards produces elegant and balanced Napa Valley Chardonnay, Claret and Cabernet Sauvignon, from fruit farmed on our family estate. Our 36-acre family run farm is situated in its own small valley in the southern foothills of the Stag's Leap Range on the historic site of White Rock Vineyards, which dates back to 1870. With a commitment to sustainable natural farming. We have never used herbicides, pesticides, or fumigants in our vineyard. We practice an integrated soil management program designed to ensure the health and fertility of our soils, including native cover crops, hand hoeing and mulching around the vines.
