Winemaker Notes: Our estate Claret is a red blend inspired by the great wines of Bordeaux. Using Cabernet Sauvignon growing in our cooler bench hill sites, this blend changes from year to year based on the distinct vintage character of the Bordeaux grape varieties. 2021 was a small crop but made delightfully rich and savory wines, particularly the Cabernet Franc, which draws out the length on the palate.

— C. Vandendriessche, *2nd Generation Winemaker*

Estate White Rock Vineyards produces elegant and balanced Napa Valley Chardonnay, Claret, and Cabernet Sauvignon, from fruit farmed on our family estate. Our 36-acre family-run farm is situated in its small valley in the southern foothills of the Stag's Leap Range on the historic site of White Rock Vineyards, which dates back to 1870. With a commitment to sustainable natural farming. We have never used herbicides, pesticides, or fumigants in our vineyard. We practice an integrated soil management program designed to ensure the health and fertility of our soils, including native cover crops, hand hoeing, and mulching around the vines. We also employ regenerative and organic vineyard methods to ensure the longevity and quality of our family farm and relationships.
